

COMMITTEE REPORT

Housing Committee

Affiliated Tribes of Northwest Indians
2024 Midyear Convention
Canyonville, Oregon

DISCUSSION

- David Boyd from the Northwest ONAP office in Seattle gave an update and report that included the new software GEMS that tribes will now be using to submit their IHP and financial information. David also provided information about upcoming trainings that are available through HUD and the codetalk web site. David also spoke about the 184 loan program and the changes to the implementation language for Tribes. David also provided information about housing funding opportunities such as the PRICE grant for Tribes that have manufactured homes that need rehab.

RESOLUTIONS ADOPTED AND RECOMMENDED TO GENERAL ASSEMBLY

- A resolution to partner with the ATNI economic development committee and NWIHA to support a resolution to make Tribes exempt from the BABA Build America Buy America mandate from the federal government. No discussion or questions.
